HOW TO FIND YOUR DEDUCTIBLE ACCUMULATOR

Your deductible accumulator is the number that indicates how much of your deductible you have met in the current calendar year, compared to your total deductible amount.

To access your deductible accumulator, you must be registered for your online member account. If you are not already registered, you can reference our How to register for your online member account guide, available from the Member page of the WPS website, www.wpsic.com.

1. Go to the WPS website, www.wpsic.com, and click Log In on the right hand menu. Then click Member/Subscriber.

2. Enter your user name and password. Click Log in.

3. From the Benefit & Claim Information tab, click on Plan Benefits.
4. From this **Member Information** page, scroll down to the middle of the page under **Benefits**, and click on the **Plan Name** for your **Medical** plan benefits.

5. Your **Benefits Description** page provides all the information about the copay, coinsurance, deductible and more for your health plan. Scroll down to the **Deductible Accumulators** in the middle of the page for the current total of your accumulated deductible.
