In addition, if I have a new dependent as a result of marriage, birth, adoption or placement for adoption, I understand that I may be able to enroll myself and my dependents provided that I request enrollment within 31 days after the marriage, birth or adoption. **Section 10—Notice of Special Enrollment Rights for Health Coverage**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose coverage (or if the employer stopped contributing toward you or your dependent's other coverage).

Loss of coverage events include, but are not limited to: (a) the person no longer lives, resides, or works within his or her HMO service area, the HMO does not provide coverage for that reason, and there is no other coverage under the plan for the individual; (b) a dependent loses dependent status because he or she attains a particular age; (c) the plan no longer offers any benefits to a class of similarly situated individuals (such as if the plan terminates coverage for all part-time workers); and (d) a benefit package option terminates or the issuer stops operating in the group market.

However, you must request enrollment within 31 days (or 60 days for Medicaid eligibility, birth or adoption of a child) after you or your dependent's other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and other dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.
