

WPS Illinois

Small and Large Group Plans

Coverage where it counts

The *WPS Illinois* group health plan gives you convenient access to **The Alliance network, WPS Statewide Network**, and the **First Health Wrap national network**. If you travel outside The Alliance network primary service area, you're covered under WPS Statewide or First Health. *WPS Illinois* plans are preferred provider organization (PPO) plans, so you don't need a primary care practitioner or a referral to see a specialist within The Alliance network!

WPS Illinois group health plans offer two PPO options:

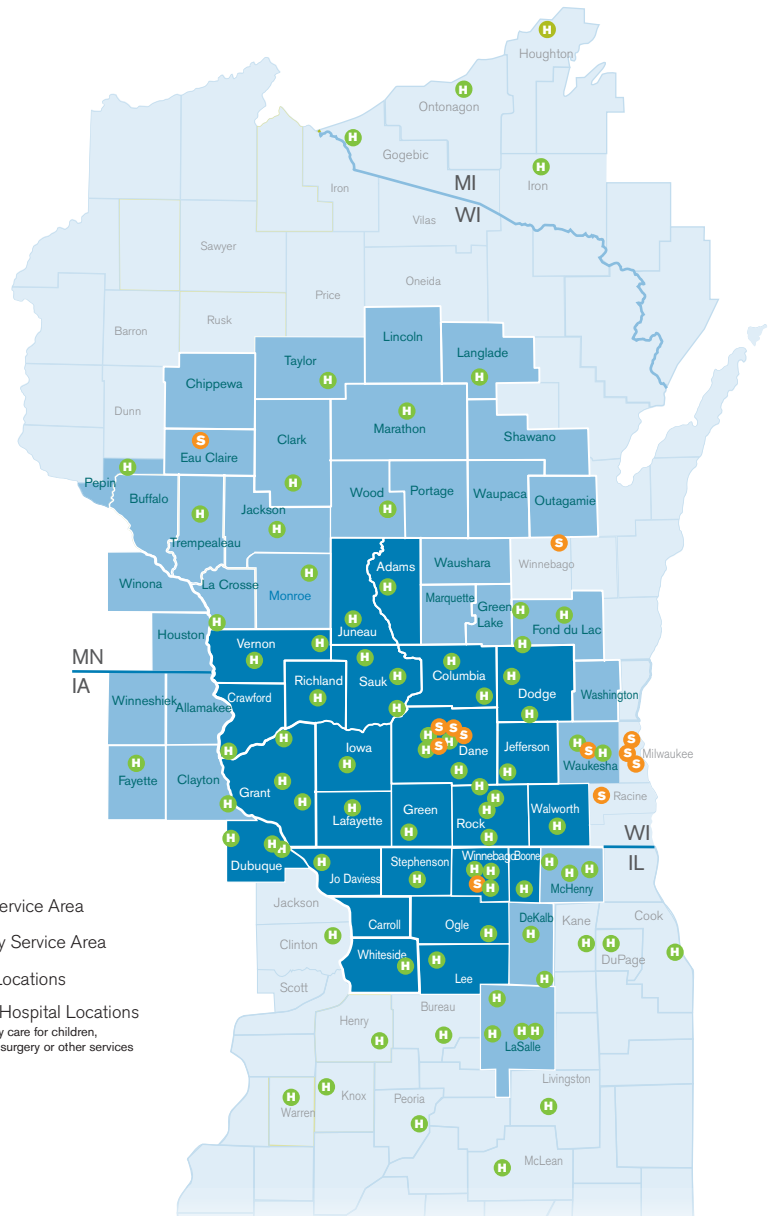

- WPS Group Copay Plan
- WPS Group HSA-Qualified HDHP

The Alliance Network

Offers access to major hospitals, health systems, and physicians in northern Illinois and in southern and south-central Wisconsin.
