

WPS Illinois

Small and Large Group Plans

Coverage where it counts

The *WPS Illinois* group health plan gives you convenient access to **The Alliance network** and the **First Health Wrap national network**. If you travel outside The Alliance network service area, you're covered under First Health. *WPS Illinois* plans are preferred provider organization (PPO) plans, **so you don't need a primary care practitioner or a referral to see a specialist within The Alliance network!**

WPS Illinois group health plans offer two PPO options:

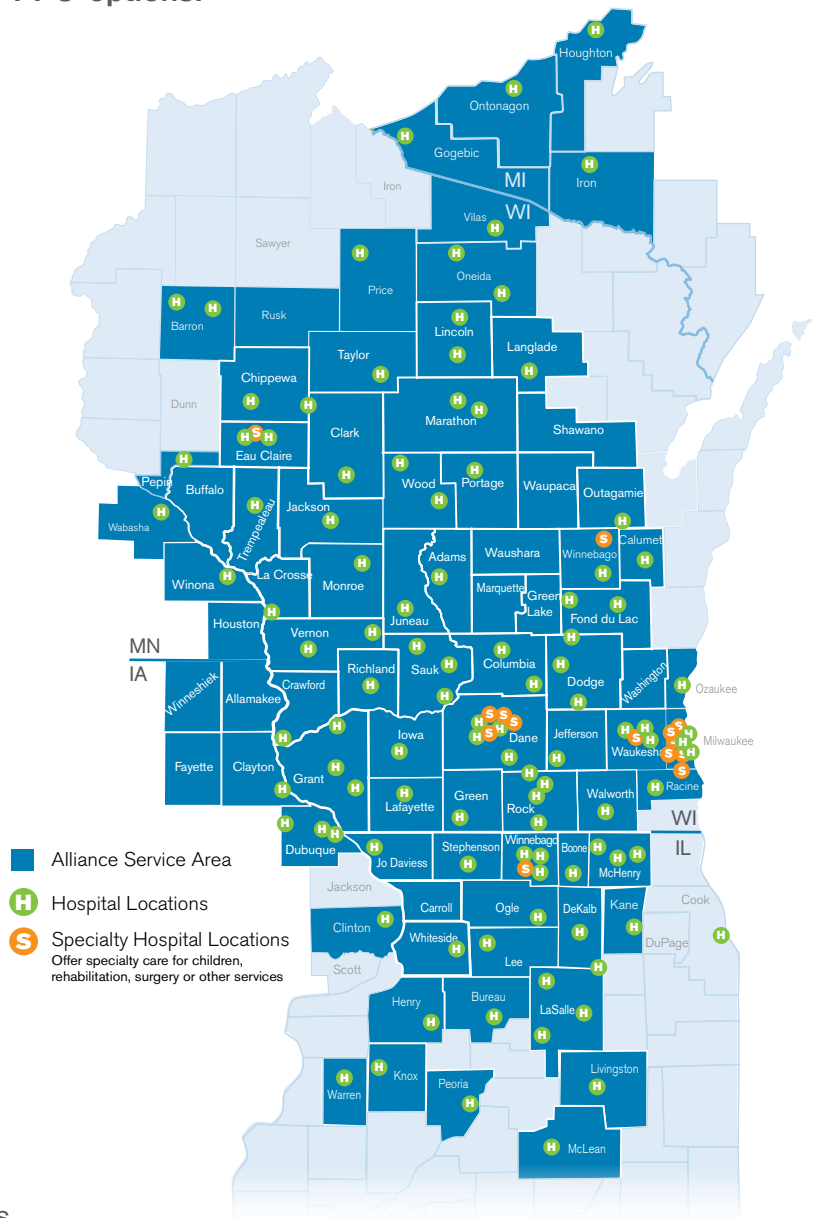

- WPS Group Copay Plan
- WPS Group HSA-Qualified HDHP

The Alliance network

Offers access to major hospitals, health systems, and physicians in northern Illinois and in southern and south-central Wisconsin.
