

## Large Group Plans

## Coverage where it counts

The *WPS Illinois* group health plan gives you convenient access to **The Alliance's Smarter Networks<sup>SM</sup>** and the **First Health Wrap national network**. If you travel outside The Alliance network's service area, you're covered under First Health. *WPS Illinois* plans are preferred provider organization (PPO) plans, **so you don't need a primary care practitioner or a referral to see a specialist within The Alliance's Smarter Networks!**

**WPS Illinois group health plans offer two PPO options:**

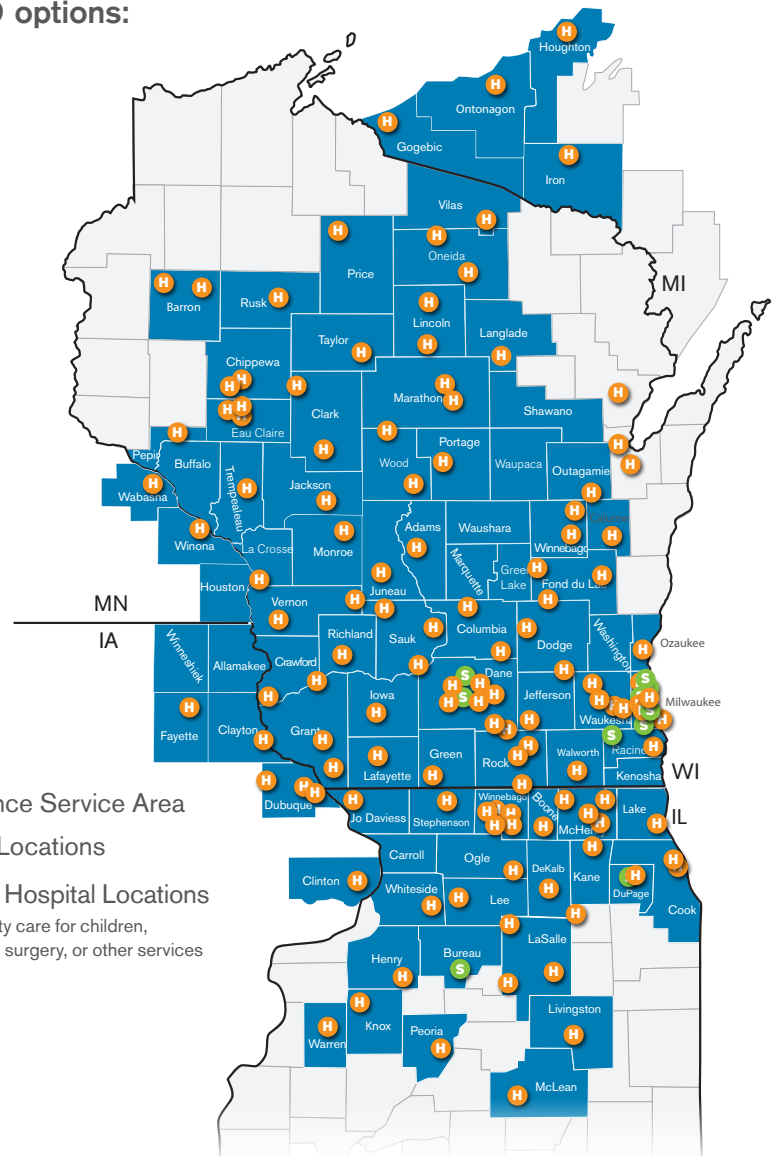

- WPS Group Copay Plan
- WPS Group HSA-Qualified HDHP
