

# Home delivery is easy, safe, and more affordable

## Your health plan recommends home delivery from the Express Scripts Pharmacy<sup>SM</sup>

Millions of people enjoy the convenience of home delivery for medications they take on a regular basis. Your plan recommends home delivery from the Express Scripts Pharmacy<sup>SM</sup>.

After we receive your prescription from your doctor, your medication usually arrives within 5-7 days. It may take longer if Express Scripts<sup>®</sup> Pharmacy needs additional information from your doctor or if your medication is temporarily unavailable. If so, Express Scripts<sup>®</sup> Pharmacy will notify you and give you options.

## Your two options

### Home delivery from the Express Scripts Pharmacy

Save an average of 33%<sup>1</sup> compared to a standard retail pharmacy copayment

Up to a 90-day supply, delivered to your home, with FREE shipping<sup>2</sup>

### An in-network retail pharmacy

Pay more on average than you would with home delivery

Up to a 90-day supply that you can pick up at the pharmacy

### Home delivery benefits

- Up to a 90-day supply, so you won't worry about running out
- 33% average savings<sup>1</sup> over retail
- 24/7 access to a pharmacist from the privacy of your home
- FREE shipping<sup>2</sup> right to your front door
- And more!
