If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose coverage (of if the employer stopped contributing toward your or your dependent's other coverage).

Loss of coverage events include, but are not limited to: (a) the person no longer lives, resides, or works within his or her HMO service area, the HMO does not provide coverage for that reason, and there is no other coverage under the plan for the individual; (b) a dependent loses dependent status because he or she attains a particular age; (c) the plan no longer offers any benefits to a class of similarly situated individuals (such as if the plan terminates coverage for all part-time workers); and (d) a benefit package option terminates or the issuer stops operating in the group market.

However, you must request enrollment within 31 days (or 60 days for Medicaid eligibility, birth, or adoption of a child) after your or your dependent's other coverage ends (or after the employer stops contributing towards the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and other dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.
