Outline of Medicare Supplement Coverage

The Wisconsin Insurance Commissioner has set standards for Medicare supplement insurance. This policy meets these standards. You should review carefully all policy limitations. For an explanation of these standards and other important information, see the "Wisconsin Guide to Health Insurance for People with Medicare" given to you when you applied for this policy. Do not buy this policy if you did not get this guide.

Premium Information

We can only raise your premium if we raise the premium for all policies like yours in this state, you enter a new age category, your residence changes such that you move to a new rating area, or if there is a change in Medicare benefits. If your policy was issued as an under age 65 policy due to a disability, when you turn age 65, your premiums will remain at the disabled rates.

Disclosures

Use this outline to compare benefits and premiums among policies.

Read Your Policy Very Carefully

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

Right to Return Policy

If you find that you're not satisfied with your policy, you may return it to: WPS Health Insurance, P.O. Box 8190, Madison, WI 53708-8190. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments directly to you.

Policy Replacement

If you're replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

This policy may not fully cover all of your medical costs. Neither WPS Health Insurance nor its agents are connected with the federal Medicare program. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it and be certain that all information has been properly recorded.

After Medicare pays its portion, you will pay one quarter of what remains of most covered services until you reach the annual out-of-pocket limit of \$3,470 each calendar year. The amounts that count toward your annual limit are noted with diamonds (◇) in the chart below. Once you reach the annual limit, the policy pays 100% of your Medicare copayment and coinsurance for the rest of the calendar year. However, the annual out-of-pocket limit does NOT include charges from your provider that exceed Medicare-approved amounts (these are called “Excess Charges”). You will be responsible for paying this difference in the amount charged by your provider and the amount paid by Medicare for the item or service.

GRIEVANCE PROCEDURES

Your policy provides complete details on these procedures. Situations might arise when you have a question or concern about your benefits or our claim payment decisions. If your question or concern can't be resolved by our Customer Support department, you or an authorized representative can file a written grievance. You can designate a representative to act for you by sending us a signed letter of authorization with your written grievance. To file a grievance:

1. Write down your claim or benefit concern, including the reason you disagree with our payment or coverage decision.
2. Mail, deliver, or fax your written grievance, along with copies of any related materials (such as letters or other supporting documents), to us at the following address:

WPS Health Insurance
Attention: Grievance/Appeals Committee
1717 W. Broadway ▪ P.O. Box 7062
Madison, WI 53707-7062
Fax: 1-608-977-9920

If your life, health, or ability to regain maximum function is in serious jeopardy, or your pain can't be managed without the care or treatment being grieved, call us toll-free at 1-888-253-2694, and we can expedite the grievance process for you.

We'll provide a prompt, complete, and unbiased review of your request and our decision. If you designate a representative, we'll send the results of our review to him or her instead of to you. The results will include our claim or benefit decision, the reason for our decision, and identify the policy provisions on which we based our decision.

DEFINITIONS

Grievance—Any dissatisfaction with our provision of services or our claims practices that is expressed in writing to us by, or on behalf of, you. **A charge**, as used in this outline of coverage, means the reasonable charge for an item or service established by Medicare.

Neither Medicare nor your WPS Medicare supplement insurance policy will pay for charges Medicare determines are “unreasonable or unnecessary.”

A usual, customary, or reasonable charge, as used in this outline of coverage, is an amount we determine to be reasonable. In determining what is a reasonable charge, we consider such factors as the amount providers charge for similar treatments, services, and supplies provided in the same general area under similar circumstances. This definition applies only to state-mandated benefits for chiropractic care; diabetic equipment, supplies and self-management education programs; home health care; breast reconstruction; and hospital, ambulatory surgery center, and anesthesia charges for dental care.

GENERAL INFORMATION

This outline of coverage provides only a general description of WPS Medicare supplement insurance benefits, limitations, and exclusions. You can find a more detailed description of WPS Medicare supplement insurance in the policy. The policy will be issued to you upon approval for coverage under the WPS Medicare supplement insurance plan. Coverage is subject to all terms and conditions of the policy and all riders. We've added the subject headings in this outline of coverage for easier reading and quick reference. These headings aren't part of the description of coverage, and aren't to be used in determining applicable limitations and exclusions. This outline of coverage doesn't give all the details of Medicare coverage. Contact your local Social Security Office or consult “Medicare & You” for more details. To receive a copy of this handbook, call 1-800-633-4227.

RENEWAL TERMS

For your WPS Medicare supplement insurance coverage to continue, we must receive your premium as required by the policy. We'll only send one bill to notify you when your premium is due. (If you're paying by automatic bank withdrawal, no bills are sent.) Your grace period for paying the premium is 31 days after the premium due date.

Your premium is subject to change at our option. Any change in your WPS Medicare supplement insurance premium will apply to all policyholders with identical policies who live in the same ZIP code and who are the same age as you.

You can terminate your coverage at any time by writing to us prior to your requested termination date.
