

# First Health Network

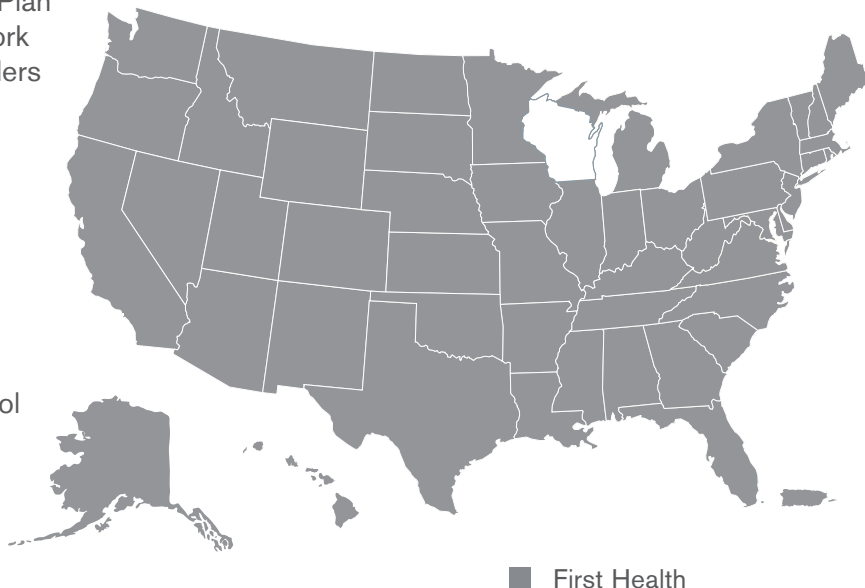

For Employer Group Plans (2-50 Employees)

## Comprehensive provider access nationwide

Customers covered under a WPS Health Plan network can also enjoy access to in-network benefits when they visit First Health providers outside the state of Wisconsin.

The First Health Network features more than 1 million health care service locations, 6,000 hospitals, and 130,000 ancillary facilities throughout the nation.

First Health functions as a wrap network for customers whose children attend school outside Wisconsin, as well as customers and their families who travel outside Wisconsin. Customers living outside Wisconsin can also access the First Health Network as their primary network.

### First Health Wrap availability

Includes all 49 states outside Wisconsin, plus Puerto Rico.

### Find a doctor

Visit [wpshealth.com](https://wpshealth.com) and choose **Find a Doctor** from the top menu bar. Select **Open Enrollee or Visitor**, choose **First Health** from the drop-down menu, and enter your information to get started. Once you receive your customer ID card, you may log in as an **Existing Subscriber**.

**If you choose to receive care from a non-participating provider, you will incur higher out-of-pocket costs.**

For example, all Mayo Clinic locations in Wisconsin and throughout the country are non-participating providers. Please confirm with us your provider's participation in First Health before you receive services.

For questions, please contact the customer service number listed on your WPS ID card.

P.O. Box 8190 | Madison, WI 53708

Providers can leave or enter the network at any time. It is recommended that you check the network status of your provider on a regular basis.
