

## Group Plans

### WPS Select Plus Network Service Area

#### Innovative coverage, extensive network

The WPS Select Plus Network offers customers access to more than 7,000 top-quality health care providers and 49 hospitals throughout 50 Wisconsin counties. Additional providers are available in Michigan's Upper Peninsula.

Following is a list of hospitals and major providers by county. **This listing is subject to change.** Updated information can be found at [wpshealth.com/healthplan](http://wpshealth.com/healthplan).
