Experience Amazing Features

Hearing aids include features such as:

- Bluetooth® compatibility
- Direct connection to iPhone and Android devices
- Rechargeable lithium-ion technology
- Smartphone apps
- Remote access adjustments
- Connection accessories for TV and Telephone

Prices are per ear. Rechargeability and direct to smartphone streaming only available on some models. Some instruments may require an additional device for Bluetooth functionality and rechargeability. Out-of-pocket cost applies for ear molds.

All policies have exclusions, limitations, and reductions. Benefits vary by insurance plan and the premium will vary with the amount of benefits selected. For costs and complete details, contact the Customer Service number listed on your WPS customer ID card.

The Hearing Care Solution discount program is not part of the insurance policy, is offered at no additional charge, and can be changed or discontinued at any time. The program may or may not coordinate with the member's health plan coverage.
