The First Health Network

## For HealthyChoices Illinois Employer-Sponsored Plans

Comprehensive provider access nationwide

Customers covered under a qualifying WPS employer-sponsored HealthyChoices Illinois plan have access to the First Health Network.

The First Health Network features more than 1 million health care service locations, 6,000 hospitals, and 130,000 ancillary facilities throughout the nation.

Find a Doctor

Visit **wpshealth.com** and click on **Find a Doctor**. Choose **Open Enrollee or Visitor**, select **First Health** from the drop-down menu, and enter your information to get started. Once you receive your Customer ID card, you may log in as an **Existing Subscriber**.

First Health Network

The First Health network covers all 50 states and Puerto Rico.
